† This odometer reading was not used in this calculation because the difference was too small or it is in kilometer. When a reading difference is small, it is due to either a data entry error of the date of the odometer or a rounding of the odometer and not likely due to a true rollback.

**AutoCheck Terms and Conditions**

This report, and any reliance upon it, is subject to **AutoCheck Terms and Conditions**. If you obtained the report from a lender/dealer, the lender/dealer has been provided with these Terms and Conditions and can share them with you.
